Description

- **Application:** Fastening polyester wires to lattice girders in shading systems
- **Material:** Premium stainless steel for maximum durability
- **Feature:** Side-mounted design, available in various heights
- **Packing unit:** 1,000 pieces

Inox Binder Clips 60 mm are specifically designed for the secure attachment of polyester wires to lattice girders in greenhouse shading systems. Their high-quality stainless steel construction ensures excellent resistance and long-term reliability.

These clips feature a side-mounted design and are available in multiple height options, allowing flexible adaptation to different structural requirements.
