Description

- **Product:** Tomato Twine, 3-ply twisted
- **Material:** Jute fibres
- **Length:** 500 m per spool
- **Weight:** 400 g per spool
- **Application:** Securing tomato plants and other crops
- **Function:** Gentle plant fastening
- **Advantages:** Contains no synthetic fibres

The **3-ply twisted tomato twine** is suitable for securely fastening tomato plants and other crops. It is made from jute fibres and contains no synthetic materials.

Thanks to its triple twist, the twine is particularly tear-resistant and flexible. With a length of **500 m per spool** and a weight of **400 g**, it is ideal for professional use in nurseries and agricultural operations.
